## Work Experience

2021/now - Head Barista at GAIL's

I have worked on the timing and quality of coffee when it is served, ensuring that all coffee products and ingredients in the facility are up to date and rotated according to the FIFO system, I have communicated to management when spare parts are needed for the coffee machine as well as making latte art on all dairy drinks with the right textured milk to order. Complying with all food safety and health and safety regulations at all times and thereby ensure that all ingredients are correctly labelled and stored.
